Life & Business Coaching

Introduction

JeffBurrows.com

Jeff Burrows is the author of *“The Entrepreneur’s Success Code® – How to Build a High Performance Business and Have a Life.”* As one of the most gifted executive coaches in the country, his teachings reveal the powerful impact “Becoming the CEO of Your Life” can have on you and your business.

For more than 25 years Jeff has helped leaders go beyond the knowledge, skills, and habits of what’s holding them back, and equip them to lead from their strengths, tap into their passion, define their vision and make change happen.

Jeff has been an entrepreneur all his life, with successful careers in the investment banking world, business radio and television. He understands the personal price that is often paid by running a winning company. In 1995 he read a profound book and encountered the famous E-Myth coaching methodology. He embraced the philosophy and started on a unique new path.

Today, Jeff is CEO of The Burrows Group where he coaches people proven leadership, management, culture, and profit systems.
